stronger

strong

5. Turn on power. Place cup under both spouts

6. When blinking stops, choose volume: press 1 cup for small espresso or 2 cups for larger amount. Machine will automatically start and stop.

2 cups

I have highlighted my own preferences in green here

ENJOY!

To make a latte in a mug: heat milk in mug in microwave for 15 seconds first, then set the machine for "2 cups" and "stronger"
